The [Senior Recruiter](https://100hires.com/senior-recruiter-job-description.html) will be responsible for turning the business strategy into an actionable recruiting strategy and building proactive recruiting plans to address critical talent gaps, helping the organization assess and select talent for both today's and tomorrow's business needs and ultimately creating competitive advantage in the business and talent marketplace.

Responsibilities

Consult with senior business and HR leaders on critical talent gaps and drive an effective and efficient talent strategy in support of the business.

Understand the US business strategy, and consult on the overall aligned talent strategy.

Drive a strong talent assessment process and rigor.

Proactively share market and competitive intelligence to inform talent, business, and organizational design decisions.

Present ongoing requisition updates both written and verbally to the HR Business Partner, Controller, and Business leaders.

Network, source, and build a [talent pipeline](https://100hires.com/talent-pipeline.html) with industry leaders assess them and ultimately attract the highest skilled and credentialed professionals to join Cigna.

Be the primary negotiator and closer to selected candidates.

He/she will also create a diversity sourcing strategy for the designated business groups; this includes building strong external partnerships with diverse associations.

Screen, evaluate and qualify candidates, including conducting in-depth candidate interviews to develop a deep understanding of candidate qualifications and competencies.

Partner with other HR partners, as appropriate, to ensure that Cigna can attract the necessary talent for today and tomorrow. This includes Compensation, Relocation, Employment Law, Employee Relations, and Talent Management.

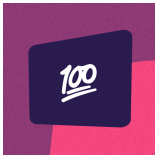

Provide substantive and competency-based feedback to all unsuccessful candidates. Ensure an exceptional hiring manager and candidate experience.

Maintain an understanding of innovative recruitment tools, technologies, and best practices.

Requirements

Bachelor's degree or equivalent recruiting experience.

Minimum of 6+ years direct, relevant, and recent experience in recruiting - experience recruiting mid-level professionals & managers preferred.

Demonstrated ability to recruit diverse individuals and ability to negotiate and consult on compensation packages.

Exceptional assessment and interviewing skills and a strong command of assessment and selection methodologies, instruments, and processes.

Ability to work successfully in an environment with high visibility and the ability to manage complex and sensitive situations independently.

Track record of flawless execution and a strong ability to multi-task in a fast-paced, deadline-oriented, high-demand environment with tight deliverables.

Experienced in sourcing passive talent .

Sound judgment and discretion.

Demonstrated proficiency with Microsoft Word, PowerPoint, Excel, and database systems required.

Knowledge of web-based [candidate tracking system](https://100hires.com/candidate-tracking-system.html) management and reporting preferred (Workday a strong plus).

Senior Recruiter 2

Job summary

The [Senior Recruiter](https://100hires.com/senior-recruiter-job-description.html) is responsible for full life cycle recruiting for non-exempt and exempt job openings with an emphasis on Technology roles. You will partner with Hiring Managers and HR Business Partners to identify and implement effective recruitment strategies, metrics (qualitative and quantitative), and activity tracking. Strong focus on sourcing passive candidates through networking, cold calling, complex internet searches, and research. In addition, you will ensure a positive candidate experience with frequent communication throughout the process, including the sharing of feedback after the hiring decision has been made. You will act as a true business partner for all things related to talent, recruiting, and hiring. This is a “utility player” position working across corporate niche recruiting.

Responsibilities

Be responsible for the entire recruitment lifecycle from intake call/sourcing through offer stages

Source candidates, evaluate applicant qualifications, phone screen, schedule/conduct interviews and check references, build and extend competitive offers

Maintain and uphold Talent Acquisition process workflow and compliance

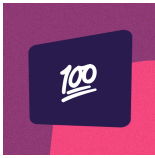

Act as a thought partner, advisor, and consultant to Executives, Hiring Leaders, and HRBP's

Be data-driven and use recruitment reporting and analytics to influence decisions

Build new recruitment strategies to support hiring initiatives with clear and defined goals and outcomes

Project manage and lead internal initiatives from a talent perspective

Execute on individual assignments and projects, and also work across multifunctional groups on large, complex initiatives, with accountability in every step

Responsible for utilizing the applicant tracking system (Workday) - cross-posting jobs to various internet sites, disposition candidate status through each step of the process, and hiring/closing out candidates within the system
Must be able to interact with all levels of Management and demonstrate a consultative approach to sourcing/recruiting
Use best practice recruiting methods as well as develop new creative sources to execute full lifecycle recruiting

Requirements

Bachelor's degree or equivalent
7 + years experience of full life-cycle recruiting experience supporting exempt hiring
Experience recruiting within the Technology vertical
Proven ability to bring top talent through the entire recruitment lifecycle
Experience handling sensitive/confidential information
Proficiency with G Suite for Business, Microsoft Word, PowerPoint, and Excel
Must have experience using applicant tracking system software (Workday preferred)
Independent worker, a self-starter, detail-oriented, team player, analytical, and can handle multiple projects simultaneously
Strong business acumen to partner, consult and build relationships with teammates of all levels
Customer centric focusing on the hiring manager, candidate, and customer experience

Senior Recruiter 3
